

Trex Hideaway®

HIDDEN FASTENING SYSTEM

REDISCOVER THE TREX HIDEAWAY SYSTEM

When you want a deck that delivers above and beyond, build with the Trex Hideaway® Collection. Made by Trex, the Hideaway Hidden Fastener System is expertly designed to disappear, maximizing deck strength, simplifying installation and leaving nothing visible besides flat, flawless Trex decking.

AVAILABLE COMPONENTS

FASTENING CLIPS

UNIVERSAL HIDDEN FASTENER CLIP

- A seamless finish for the field of your deck
- Compatible with grooved composite deck boards

BUTT-JOINT CLIP

- Compatible with grooved composite deck boards
- Simplifies installation by eliminating need for extra blocking
- Same trusted glass-filled nylon construction as existing Trex Universal Hidden Fastener

NEW 2024

ONE-STEP HANDHELD HIDDEN FASTENER TOOL

- Easy one-step installation cuts install time in half
- Made from durable glass-filled nylon
- Compatible with the Trex Universal Hidden Fastener

COLOR-MATCH SCREWS

COLOR-MATCH COMPOSITE DECK AND FASCIA SCREWS

- Compatible with Trex composite decking and fascia boards
- Best Trex decking color match on the market
- Superior fade and corrosion resistance
- Unique composite decking screw drives easily, eliminating mushrooming
- Patented HEXSTIX® drive system provides wobble free drive

NEW 2024

COMPOSITE PLUGS

DECKING & FASCIA PLUG SYSTEM

- Patent-pending plug design
- Compatible with Trex composite decking and fascia boards
- First to market collated fascia plugs
- Larger collation spacing for easier installation
- First approved plug system for use with Enhance scalloped decking
- Plugs match Trex shell color and grain
- Patent-pending depth setters and patented counterbore tools make installation a breeze

NEW 2024

STEP-BY-STEP FASTENERS BUYING PROCESS

COLOR MATCH SCREWS BUYING PROCESS:

FOR DECKING:

STEP 1 OF 1:

Buy Color-match decking screws

FOR FASCIA:

STEP 1 OF 2:

Buy Color-match 1-3/4" fascia screws

STEP 2 OF 2:

Buy Color-match fascia counterbore tool kit

PLUGS BUYING PROCESS:

FOR SOLID CORE DECKING:

STEP 1 OF 2:

Buy composite decking plug screws and depth setters

STEP 2 OF 2:

Buy composite decking plug that coordinate with decking color

FOR ENHANCE DECKING:

STEP 1 OF 3:

Buy Enhance decking 2" screws

STEP 2 OF 3:

Buy Enhance decking counterbore tool kit

FOR FASCIA PLUGS:

STEP 1 OF 3:

Buy 1-3/4" fascia plug screws

STEP 2 OF 3:

Buy composite fascia plugs

STEP 3 OF 3:

Buy fascia plug counterbore tool kit
